## **New Website Launches! Buyer-Friendly Property Searching For Sussex County Real Estate-Results.**

Lewes, DE-Anthony Kulp and Andy Staton of Beach To Bay Real Estate Center proudly announced the launch of [www.BeachToBayREC.com](http://www.BeachToBayREC.com). The Real Estate Center's new website will offer savvy web surfers a user-friendly way to visit all the new home communities, developments, properties, commercial property and land available in Sussex County, Delaware. The site will also host Beach To Bay Real Estate Center's Rental Department Listings. The state-of-the-art website, created by Inclind of Georgetown, Delaware, was designed with ease for the online user in mind.

Visiting [www.BeachToBayREC.com](http://www.BeachToBayREC.com) offers uncomplicated online way to view all the properties Sussex County has to offer without leaving the Beach To Bay Real Estate Center website. The website boasts an updated county map with informational pop-ups and a convenient Buyers Grid, a tool specifically created to assist web visitors in defining their personal needs in the search for a new home, home community or commercial property. The site also showcases new home developments, property listings and regional information including average area population, property values and tax information.

Andy Staton, realtor/co-owner commented, "Our brand new website is online and we are extremely excited about it! [www.BeachToBayREC.com](http://www.BeachToBayREC.com) will offer an easy way to search for and view all the properties available within the buyers' search criteria. Web surfers will be able to log onto [www.BeachToBayREC.com](http://www.BeachToBayREC.com), view area maps, search new home communities, view active listings, take virtual tours of them and gather the pertinent information needed to find a dream home." Staton continued, "It was our intent to create a virtual space conducive to allow buyers a convenient online place to search for property anywhere in Sussex County, from the beach to the bay. We know buying a home can be complicated, and we feel that an educated buyer should have as much information as possible to make one of the largest decisions of a lifetime. Our website is streamlined and very user-friendly, even a novice to the world-wide web can find a dream home on [www.BeachToBayREC.com](http://www.BeachToBayREC.com)."
